

WE PROVIDE

A complete line of Title, Closing and Escrow solutions leveraging sophisticated technology, highly qualified closing agents and skilled in-house support. Our commitment to operational excellence and top service execution help reduce operating costs, compress cycle times, mitigate risk and enhance the consumer and experience. We deliver a seamless, speedy, accurate and professional closing experience to ensure your client remains your client even after the mortgage closes.

OUR ADVANTAGE

The four tenets to our innovative approach include:

Innovation Quality Control
Service Excellence Operational Efficiency

INNOVATIVE APPROACH TO THE CLOSING TABLE EXECUTION | COMPLIANCE | SERVICE

We believe operational excellence is standard protocol.

Our customizable business processes are designed to streamline and enhance what may be the consumer's most memorable part of obtaining a loan, the closing process. From order entry to post closing, we use advanced, interactive technology, supported by highly trained in house team to deliver a fully transparent efficient workflow process.

Focused on metric-driven, exception management, we deliver exceptional benefits to our clients:

- Client dedicated support teams
- Focus on meeting Performance Scorecards Metrics
- Proprietary in iConnect Technology with interactive tools
- Instant order entry, pipeline management & status updates
- Extensive agent vetting & certification
- Client branded experience & communications
- Customized consumer education, outreach & support
- Robust reporting & metrics

The results? A seamless, precise, and consistent closing experience for our clients, as well as their consumers and loan officers.

EXPERTISE IN ALL MORTGAGE CLOSING TRANSACTIONS

We deliver precise, timely and accurate closings, anywhere, for any loan transaction:

- Default
- Home Equity
- Purchase
- Refinance

Our dedicated closing specialists are trained on the intricate details and regulatory and compliance requirements for all loan types, so transactions are handled proficiently.
